**Event program:**

**Alumni panel 1**

Facilitator: **Amanda Abeysinghe – Study Melbourne Ambassador and Campus Assistant, CQUniversity Melbourne**

Amanda Abeysinghe (she/her) is currently studying a Master of Business Management Degree at CQ University Melbourne. She is currently working as a Campus Assistant to the Campus team at CQUniversity Melbourne.

A lawyer by profession, she completed her Attorneys-at-Law at Sri Lanka Law College and her bachelor's degree in business management specialising in Human Resources at Kelaniya University, Sri Lanka.

She is constantly on a mission to help, serve and elevate the lives of others. Therefore, she has always aligned her education and career choices, be it Law, Human Resources, or teaching, alongside the goal of changing someone's life or adding value to it.

As a Study Melbourne Ambassador, she hopes to promote kindness, respect, acceptance, and inclusivity within the international student community which is, after all, the true Study Melbourne experience.

**Hao Huang – Software Engineer, Bukalapak**

Hao is a software engineer with a passion for creating innovative solutions and pushing the boundaries of technology. With a solid educational foundation, including a bachelor's degree in Electrical Engineering and a Master's degree in Information Technology, Hao combines theoretical knowledge with real-world expertise.

With over two years of full-time experience as a software engineer, Hao has been involved in various products from different markets and areas. He specializes in crafting elegant and efficient software solutions, utilizing his expertise in programming languages such as Java and Golang.

Currently employed at Bukalapak, one of the leading e-commerce platforms in Indonesia, Hao is contributing to the company's success by leveraging his extensive practical experience in software development. He excels not only in coding but also in understanding the broader IT landscape, including databases and infrastructure.

Hao is not just a software engineer; he is an analytical person, a creative thinker, and a team player. He thrives in challenging environments, consistently delivering high-quality results and driving innovation. With a commitment to continuous learning and improvement, Hao is poised to make a lasting impact on the world of technology.

**Daniela Zuniga – Senior Quality Associate, Swisse Wellness**

Daniela Zuniga is an accomplished Quality Assurance professional who is deeply passionate about food safety and quality. Currently employed as a Senior Quality Associate at H&H Group, the parent company of globally recognised consumer brands such as Swisse and Biostime.

Throughout her career, Daniela has consistently demonstrated her proficiency, having performed multiple roles in the food and complementary medicine sectors. Her skill set encompasses a wide range of crucial areas, including product development, quality control, process improvement, risk management, and sustainability. Her professional experience has equipped her with a unique blend of technical know-how and strategic thinking that sets her apart in her field.

Daniela holds a Master's degree in Food Science from The University of Melbourne and a Bachelor's degree in Industrial Engineering from the University del Valle of Guatemala. As an international graduate, she takes

### **Event program:**

immense pride in overcoming the challenges she faced on her journey, realising her professional and personal aspirations here in Australia. Her status as an International Graduate reflects her determination and resilience in overcoming challenges to achieve both her professional and personal aspirations in Australia.

### **Quang Nguyen – Engagement and Special Project Officer, RMIT University**

Quang Nguyen is an Engagement and Special Project Officer at RMIT University. Quang is a joyful spirit that brings a portfolio of experience from Careers Services, ITS, Change Management and a range of comms/engagement and program delivery. Quang is into Sunday morning horse riding to a hilltop full of cheese and wine in the far Western suburbs and would love to say hi to everyone when you see their big hair and wide smile roaming around the on the streets of Melbourne.

Additionally, Quang's currently an after-hour Employment Advisor to help international students craft irresistible tailored resumes/cover letters, prep for interviews, and land dream jobs. The service is free The Couch, International student centre.

### **Shiwani Joshi – Senior Consultant, KPMG Australia**

Hi! I'm Shiwani, hailing from the culturally rich land of India. I came to Melbourne about 4 years ago as an international student to pursue my Master's in Data Science and this inclination of mine towards the field of data landed me a full-time position at KPMG. This past one and a half year at KPMG has only facilitated me in dwelling deeper towards my passion for data.

### **Alumni panel 2**

Facilitator: **Daniel Onovo – Study Melbourne Ambassador and Student Academic Leader, Federation University**

Daniel Onovo (he/him) is from Nigeria and is studying for a Master of Engineering Technology (Mechatronics and Industrial Automation) degree at Federation University, Churchill.

He commenced his studies in July 2022. Daniel has a background in Mining and Petroleum Engineering and has over 10 years' experience working in various capacities throughout Africa and Asia. Some of his hobbies include running (Parkrun), playing in his local soccer team, reading and being involved in community events.

He also enjoys experimenting in the kitchen, fusing Nigerian flavours with Aussie recipes.

### **Nicola Peters – Talent and Leadership Consultant, SEEK Ltd**

Nicola grew up in Mumbai, India and arrived in Australia to pursue her Master's in business from Monash University. Since graduating, Nicola begun her career in a boutique search firm Alex Kaar. She has since spent the last 8 years working across some of the most iconic Australian brands such as Medibank, Coles in a variety of talent acquisition and leadership roles. She's currently a Talent & Leadership Consultant for SEEK. Nicola is very passionate about Inclusion, Equity and Belonging in the workplace specifically around harnessing the experiences and skills of international students/ visa holders.

### **Erfan Hardanian – National Digital Collaboration Technology Services Analyst, KPMG Australia**

I am Erfan, soon to be 23 years old from the origins of Shiraz wine's famous grapes, Iran. My journey as an International student started in Canada at 17 where I studied medicine (I know, mind boggling)! Skipping forward 4 years when I moved to Melbourne and transitioned to IT and shortly after found myself in a full-time position at KPMG whilst studying for my diploma. It's been a rather smooth transition from fixing people to fixing computers; if only I could also restart people to solve 90% of my problems...

### **Naoka Cheah – Graduate, Provider Strategy Analytics, Medibank**

Naoka Cheah is a graduate at Medibank and is currently in her second rotation with Provider Strategy Analytics, where she provides data-driven insights to drive optimal decision-making and business growth. Previously, she
